IT'S TOUGH AT THE TOP

LIMITED EDITION
Think of a car that is tough and robust, but with an individual, distinctive style. Equally suited to cruising on the motorway to meeting the rigours of driving along twisting country lanes.

Designed to accommodate the most demanding of loads, the Volvo Highlander is the ideal car to suit today's busy active lifestyles.

One of the first things you'll appreciate is the generous load carrying capacity. Whether it's climbing gear or a hot air balloon, the Highlander provides maximum flexibility - whatever your cargo.

The Highlander features a 35 cubic feet luggage compartment, which can expand to 75 cubic feet with the rear seat folded down. Load-lashing eyes keep your cargo firmly in place, and there is also a roomy storage compartment under the floor.

The Highlander's striking appearance is sure to attract admiring looks wherever you go. Stylish roof rails, alloy wheels and special striping lend a very individual and practical look. Choose from red, silver or white paintwork. Competitively priced, the Volvo Highlander represents extremely good value for money.

#### SAFETY

The Volvo Highlander includes some unique safety features, such as SIPS (Side Impact Protection System), inertia-reel 3-point seat belts for all five seats, and an integral child seat in the rear armrest. This safety feature received the Prince Michael Safety Award in 1990 for its uniquely innovative design. ABS brakes are fitted as standard and a driver's airbag is available as an option.

#### PERFORMANCE

The Volvo Highlander is powered by a 2.0 litre fuel injected engine, designed and built to deliver even torque and power exactly when you need it. It is matched by excellent road holding to keep you safely in control, whatever the conditions.

#### COMFORT

The luxurious, spacious interior easily accommodates five adults, all with 3-point seat belts. Passenger comfort is enhanced by body contoured seats, all with head restraints. For added convenience, the rear head restraints fold automatically into the seat when it is lowered. Central locking, electric front windows and heated driver and passenger seats come as standard on the Highlander.

The Highlander is equipped with an electronically tuned radio-cassette player to provide all-round, crystal clear sound.

Other features include headlamp washers and wipers and double jet windscreen washers.
